About

A confident, reliable designer who uses his own initiative to meet the highest standards. Able to work under pressure whilst continuing to deliver a high level of service. Capable of working on multiple projects at one time and has a thorough attention to detail and accuracy. Currently looking for his next role in the design industry. Having around eight years industry experience, in a variety of different studios around the world, he is hard working, adaptable, reliable and very easy to get on with.

Design Experience

Mimeo: October 2016 - Present: Design Supervisor

Mimeo: February 2015 - October 2016: Senior Designer

Mimeo: April 2012 - February 2015: Artworker/Designer

Working in a fast paced environment and directly with Customer Account Managers to produce academic diaries, Funeral Order of Services' and design of yearbook layouts. Recently sent to Pune, India to train a team of designers to produce academic diaries using Adobe InDesign CC.

Peacock Productions: January - March 2012:

Junior Graphic Designer

A temporary position in a production company based in London. Working on variety of assignments for the Record Industry.

Baden P. Morris: January 2011 - January 2012:

Junior Graphic Designer

An in-house position where main responsibilities included product photography and liaising internally with the sales team across Australia & New Zealand. Working both independently and under direction on the design and layout of a number of catalogues, posters and other promotional material for not only Australia but also the New Zealand branch.

Skyscraper: January - October 2010:

Paid Internship

A web design studio in south east London. A placement where skills in Flash were refined and applied in a professional arena.

Black Dog Productions: May - September 2008:

Paid Internship

Temporary contract during the summer of 2008. Working on a range of projects, many involving the discipline of adhering to packaging style guides.

House HK: May - September 2007: Paid Internship

This placement in a Hong Kong based packaging design consultancy involved a lot of typography and type-setting as well as creating line illustrations for manuals.

Notable Achievements

- > Played major part in training a team of designers in Pune, India to accommodate an increase in the volume of work. Totalling a period of 10 months including a 7 month extensive training period.
- > Responsible for overseeing multiple projects including marketing materials and getting the team familiar with InDesign after switching from Quark Xpress.
- > Undertook a foreign exchange programmes at Hong Kong Polytechnic University.
